

Please read before you arrive at the workshop...

Because we will be engaging in some arts-based activities, it will be helpful if you bring these items with you to the sessions...

A pair of scissors
A pencil and eraser
A glue stick or white glue
Sharpie pens [fine point, black and colors are optional]
Optional: Rubber stamping materials, such as alphabet stamps or favorite stamps and ink pads

Print out course materials or bring them on your laptop or tablet.
Bring your favorite coffee, tea, water, etc-- we will provide snacks! There is a great coffee shop right near the venue, no worries!
Dress comfortably and in layers [environmental control is always unpredictable]

If you are traveling by airplane and only taking carry-on luggage, we will have extra scissors and glue on hand, no worries. We will have an assortment of drawing materials, collage materials, embellishments, paper, and other supplies; if there is something you like to work with in terms of art supplies, please bring it along because you might want to use it during our various “art breaks” and activities each day.
